

A morning with professionals

Plan the next step of your journey with us...

Taking the next step in your life and thinking about your future can be challenging and perhaps uncomfortable. You could be thinking, 'we do that already' or 'it's too early to think about these things' but there are always considerations in the next chapter of life.

Having a conversation with an expert might help put a few things into perspective. So, join us today to get the conversation started...

We are a group of professionals in the fields of finance, wills and aged care. Come spend the morning with us and let us help you make that crucial decision, help you understand power of attorney and prepare you to have courageous conversations to move your wishes forward, and make the changes you need to live your life to the full.

Andrew Hopkins, Principal of WA Aged Care Financial Solutions: Sit with Andrew to discuss financial solutions for you and your family.

Catherine Hopkin: An Estate Planning Consultant, Catherine will educate you on wills, enduring power of attorney, protecting your assets and a range of other services.

Melissa Young, Developer, Planning for the Next Season: Enjoy a thought provoking but practical conversation with Melissa, as you prepare for courageous conversations with people you are close to about your future wishes.

Venue: Admiral Park Community Centre, 65 Admiral Grove, Heathridge

Date: 23rd February 2015

Time: 9.30 – 11.30am followed by morning tea

To confirm a spot at the workshop, please RSVP to Catherine Hokpin on:
